Please print out the listed questionnaires and consent form to be **signed and dated** by you and returned to me along with a note from your physician saying he/she knows you are seeing a nutrition counselor, and a copy of your most recent blood/urine tests if available. **Please mail or fax these papers out prior to your appointment** so that I have sufficient time to work on them. My **Fax is 954-941-8220**. Your food diary can be brought in at your first visit. I would also request the original signed Disclaimer either mailed in or brought in at your first visit.

If you have any questions or problems with the paperwork please call me.

I will call the day before to confirm the date and time. Please call me ASAP to change or cancel this appointment.

**\*\*Any missed appointment will be charged (full visit price) unless I am notified 48 hours prior to the appointment date and time.**

**Directions:** From I 95 exit East Atlantic Blvd. toward the beach. Cross US1 (Federal Hwy.) about 3-4 blocks. Stay in the left lane. You will see a Café Maxx and Publix on the left and BEALLs on the right. I am above Café Maxx but you must drive past it to enter the parking lot. Make the next left and turn into the lot, make a quick left in front of the cleaners. Proceed down toward Café Maxx and park. Enter 2605 and go up to the second floor. I am in suite 200A, not 200. Turn left off the stairs and I am the first door on the left. Just walk in. I'll see you then!
